17 June 2023 There were two hoodlums walking at night they came out of somewhere and check there stomachs for holes. They went to a house and the girl went inside i wanted her to stay outside. I have blades on my feet and i start cutting this lawn that was made of beard hair. I see a man looking through thee beard I cut the beard the more I cut the more i her voices saying no no no like vampires. the dream was a the next day after cutting my beard and berrying underneath the vines in the back yard of Cameron. I was standing outside a glass apartment and saw Marian taking photos of a young child sleeping on a bed with two other men. I thought this bitch is setting them up I walked inside said what the fuck are you doing bitch I was a about to smash his head he coward on the ground, everything froze rewind to me standing out side the door I re entered and everything was gone except Marian still cowering on the floor i took off my saddle and slap him across the face when i did that Marians face changed to some other Filipino and she started trying to slap me with her shoe i push her back with my foot and back the fuck up bitch, i dint want her touching me I look at the guy with her was about to get her or im going to smash her. scattered dreams through was of being in a entrance of a cave and all these bats came past me and went into the cave. I was showing two kids how to do kamate. I was riding a 4wd RC in a back yard like a horse. two fullas talking one said i got i really good infant it eats oranges. There was Marian looked like Ripa called me a rapist name Rikona and i said dont call me that ill stab you in the leg , Marian changes faces in this dream place through a computer macintosh using binary I can always tell when its Marian because he has a sneaky look on his face and Marians brother Arvin is the same has a evil look on his face. Ripa's face is used alot in here some of these have sped up making them harder to remember some are replays of these that people were talking bout
